

# DUNGEON

## INTRO

**Dm C F E (2X)**

**Am G**  
It's so dark here in the dungeon,

**F E**  
My heart pounds with fear

**Am G F E**  
I fall with my face to the ground

**F Am G**  
I hear a soft whisper Jesus is here,

**F E**  
My soul fills with peace at the sound

**Am G F E**  
My eyes adjust to a small beam of light,

**Am G F E**  
From a crack which appears 'neath the door

**F Am G**  
I stand to my feet put my hand on the latch,

**F E**  
I have no earthly thought what's in store

**Am F/A Am7 Am6**  
The door opens up to a glorious light,

**Am F/A Am7 Am6**  
It's brilliance is piercing but sheer

**Dm Dm7 F Am**  
It's heavy and soft and caresses my heart,

**F Fm E7b9 E**  
With an absolute absence of fear

**Am**  
I see his face in the light,

**F**  
there's no darkness no night

**Dm** **Am**  
And I know that I now understand  
**F** **Am**  
All of my doubts become dust in the wind,  
**Dm7** **Gsus**  
As I feel the soft touch of His hand  
**F** **C/E** **Dm** **C**  
His face His face, .. His face alone  
**F** **C/E** **Dm** **Gsus**  
The answers to all of my questions are shown  
**F** **F/C** **Dm** **C**  
His face, His face His face alone  
**Fm** **C/E**  
Even death will become His minister,  
**Dm** **Gsus** **G** **C**  
When He finally calls... me... home
