

FOOL FOR JESUS

(Chuck Girard)

F **Bb/F** **F**
People try to tell me that I can't live this way
C/E **Dm** **C7** **C7sus** **C72**
That things have changed and life is not the same
F **Bb/F** **F**
And they try to tell me that I'm missing all the fun
C/E **C7** **F**
But I know this peace I've found has only now begun

F **Bb/F** **F**
Some have tried to tell me to live and just be free
C/E **Dm** **C7** **C7sus** **C72**
That we must seek life's pleasures while they last
F **Bb/F** **F**
And they try to tell me that these are modern days
C/E **C7** **F**
And that I'm just a fool to go on living in the past

C# **Dm7**
Someone's always tryin' to shake my faith and bring me down
Ddim **G7** **C7**
But all I know is what I feel inside

F **Bb/F** **F**
People to try to tell me that I am just a fool
C/E **C7** **F**
But I guess I'll be a fool for Jesus
C/E **C7** **F**
But I guess I'll be a fool for Jesus
