

**LITTLE GIRL LOST**  
(Chuck Girard)

**Ebm7**            **Ab7**  
Little girl lost, little girl lost  
**Db7**                                 **Gb**  
Little girl walking by outside my window

**Ebm7**            **Ab7**  
Little girl lost, little girl lost  
**Db7**                                 **Gb**  
Little girl walking by outside my window

**Ebm7**     **Ab**  
Never had a father to hold her hand when the cold winds blow  
**Ebm7**     **Ab**  
Never had a man to wrap his arms around her  
**Db7**     **Gb**                     **Ebm**  
To feel the beat of her aching heart and to love her so  
**Dbsus**  
Never had a love strong enough to break the chains  
       **Db**  
That bound her

**Ebm7**            **Ab7**  
Little girl lost, little girl lost  
**Db7**                                 **Gb**  
Little girl walking by outside my window

**Ebm7**            **Ab7**  
Little girl lost, little girl lost  
**Db7**                                 **Gb**  
Little girl walking by outside my window

**Ebm7** **Ab**  
My heart just breaks as I watch her walking down the avenue  
**Ebm7** **Ab**  
The rain drops slowly washing her tears away  
**Db7** **Gb** **Ebm**  
I watch her walking as she slowly disappears from view  
**Dbsus** **Db**  
.....There's nothing I can say

**Ebm7** **Ab7**  
Little girl lost, little girl lost  
**Db7** **Gb**  
Little girl walking by outside my window

**Ebm7** **Ab7**  
Little girl lost, little girl lost  
**Db7** **Gb**  
Little girl walking by outside my window

**Ebm7** **Ab**  
All I ever wanted to do was hold you  
**Ebm7** **Ab**  
So you can feel safe in your Father's arms  
**Db7** **Gb** **Ebm**  
Won't you let My loving arms enfold you girl  
**Dbsus** **Db**  
I'll never leave you I never will depart

**Ebm7** **Ab7** **Db7** **Gb**  
.....Little girl is looking out my window  
**Ebm7** **Ab7** **Db7** **Gb**  
.....Little girl is looking out my window
