

**BLESSED IN THE CITY**

Chuck Girard

**E7**

Well, if you flow with the Spirit, if you follow His voice

If you hear what He says and you make the right choice

If you do what He says and you don't hesitate

And you follow His voice, then these blessings await

CHORUS

**A**

**E7**

You'll be blessed in the city, you'll be blessed in the field

**A**

**E7**

All your plans will be fruitful, all your planting will yield

**B7(+flat3)**

Goin' in and comin' out, you know there'll never be a doubt

**E7**

The Bible says you'll always be the head, you'll never be the tail

**E7**

He will open the heavens so the heavens will rain

On your land in it's season and shall bring forth the grain

If you hear His commandments and you do every one

High above every nation is your place in the sun

Repeat chorus

Bridge:

**G7**

Devil never know just where you're goin'

**E7**

Devil never know just where you'll be tonight

**G7**

Devil never know just where to find you

**B7**

Devil never know cause the devil gonna be in flight

**E7**

If you keep His commandments and you walk in His way

Then He'll bless you and keep you cause you choose to obey

All the earth shall respect you cause you're called by His name

Trouble shall come, but it shall flee seven ways

Repeat chorus
