

## THE COSSACK SONG

Tommy Coomes - Tom Stipe

**A**

I wouldn't want to be a Cossack headed for that Palestine Road

Thinking about what's written in the Word of God

About the things that he's foretold

**D** **A**

No, I wouldn't want to be there, down Jerusalem way

**D** **A** **G** **E**

No, I wouldn't want to be there, headed for my grave

**A**

I wouldn't want to march with the comrades when they enter Israel

Headed straight into the fiery wrath of God

And finding no escape from, well,

**D** **A**

I wouldn't want to be there, down Jerusalem way

**D** **A** **G** **E**

No, I wouldn't want to be there, headed for my grave

**A**

Now if I was in the Red Army, I think I'd take a permanent leave

I'd humble my heart and I'd ask the Lord

To take me with your church when it leaves

**D** **A**

'Cause I wouldn't want to be there, down Jerusalem way

**D** **A** **G** **E**

No, I wouldn't want to be there, headed for my grave

**A**

Well it won't be long till we see it happen just like old Ezekiel said

You ought to make your home in heaven, brother

And skip the other place instead

**D** **A**

'Cause you don't want to be there, no, and neither do I

**D** **A** **G** **E** **A**

'Cause we just want to be there for that meeting in the sky
