

FILL MY CUP

(Chuck Girard)

D **F#m7**
Here's my cup would you fill it up, would You let me overflow
Em **A7** **G/B** **A/C#**
My heart just wants to show, how I love You
D **F#m7**
I will sing and I will shout, makin' music to You Lord
Em **A7** **G/B** **A/C#**
My heart will strike the chord of my steadfast love

D **D/F#** **D**
Fill my cup, fill it up with the fallin' rain
D/F# **A** **D**
Fill my cup, fill it up, like it was again
G **D/F#** **D**
Come and dine, come and walk through the open door
Em **D/F#**
I've had a taste of Your love
A7
And I want more, more, more

D **F#m7**
FILL MY CUP, FILL IT UP
Em **A** **G/B** **A/C#**
BAPTIZE ME IN THE CRYSTAL SEA AND FILL ME UP
D **F#m7**
FILL MY CUP, FILL IT UP
Em **A7** **G/B** **A/C#**
CAPTURE ME WITH YOUR SPIRIT PLEASE AND FILL ME UP

D **F#m7**
When I'm blue and it dims my view like a faded photograph
Em **A7** **G/B** **A/C#**
Just blow away the chaff, let the wind blow
D **F#m7**
I get weary and I get worn and I lose my point of view
Em **A** **G/B** **A/C#**
But I'll get my eye on You and I won't let go
