

HOME FOR GOOD

(Chuck Girard-Pat Hollis)

Fmaj7 **Bbmaj7**
 Growing years, those painful years
Fmaj7 **Bbmaj7**
 I looked for love in Godforsaken places
C **F** **Dm**
 Trite it seems now but there You were
C **C7**
 And there was love, only a fool would take it lightly
Dm **F7**
 Soft and still, surrounding night
Bb
 You captured me with innocence
Gm
 And You gave me life
F **Bbmaj7**
 Growing years, those painful years
C **F**
 You saw me through and You finally brought me home

CHORUS

Dm **Gm**
 At last I've found You
C7 **F**
 I thought I never would
Eb **C**
 At last I'm home now
Gm **C** **F**
 I'm home for good

Fmaj7 **Bbmaj7**
 In a way, Your quiet way
Fmaj7 **Bbmaj7**
 You let me be in what I thought was freedom
C
 But I'm in Your arms now
F **Dm** **C**
 And just as I am, I'm safe and sound
C7
 And I'm blessed with sweet assurance

Dm **F7**
 In Your eyes, I see the world
Bb **Gm**
 It's a world of hallelujah mornings
F **Bbmaj7**
 Growing years, those painful years
C **F**
 You saw me through and You finally brought me home
