

I REMEMBER

(Chuck Girard)

Em7 **A9** **Em7** **A9**
I remember what you told me, it wasn't too long ago
Em7 **A9** **Em7** **A9**
You told me that you knew the answer, But now I wonder if you really know
Em7 **A9** **Em7** **A9**
I see what appears to be a conflict, what you say and what you do
Em7 **A9** **Em7** **A9**
And I really have to admit it, I don't know how to analyze you

G **D/F#**
It seems that you never really try to do the best that you can
G **D/F#** **Em**
'Cause the things you say are not the things you do just like any other man

Em7 **A9** **Em7** **A9**
At first you really talked religion, but now that isn't comin' through
Em7 **A9**
I really had hoped that you really were right
Em7 **A9**
And I watched to see how well you'd do
Em7 **A9**
But it seems to me now it was just another trip
Em7 **A9**
Because I didn't see a lasting change
Em7 **A9**
And the whole thing strikes me as peculiar
Em7 **A9**
More than just a little bit strange

G
You never really try to do the best that you can
D/F#
And that'll never really be enough
G
'Cause I saw you back down from what you said you believed
D/F#
When the goin' got a little rough
G **D/F#**
It's really too bad, I hoped that you were right
Em **D/F#**
I was really lookin' for a change
G **D/F#**
But it seems this trip is just like all the rest
Em **E7**
And I guess I'll have to pass again
