

MARY'S SONG

(Chuck Girard)

C C/B C/A C/G F#m B7
Late at night when all the world was sleeping
Gm C7 F F/E F/D F/C

There she lay in darkness softly weeping
Dm Cm
Feeling love so strong, she thought her heart could break

Bb F G7
But she knew it all was right but still so hard to take

C C/B C/A C/G F#m B7
It was finally over, it was finished now
Gm C7 F F/E F/D F/C

What would life, her life be like without him now
Dm Cm
Looking back in time, she knew it had to be

Bb F G7
But still it hurts so deeply anyhow, if some could only feel

C Am Ab Gsus G
That special love, that special love....mmmmmmmm.....mmmmmmmmmm

C C/B C/A C/G F#m B7
It had always been so strange and wonderful
Gm C7 F F/E F/D F/C

Time would never steal the memory
Dm Cm
Pain so sweet that night some thirty years before

Bb F G7
Feeling pain so different now, as she never felt before

C C/B C/A C/G F#m B7
Nothing left to do except to realize
Gm C7 F F/E F/D F/C

That the plans of God were fully finalized
Dm Cm
Always meant to be and she had been so blessed

Bb F G7
To be the chosen woman but now this final test

C Am Ab Gsus G
Of mother's love, mother's love....mmmmmmmm.....mmmmmmmmmm
