

RACIN' LIKE THE WIND

(Chuck Girard)

C **Gm** **C** **Gm**
Racin' like the wind, feelin' like a winter's day

C **Gm** **F**
'Lookin' all along the way for the things I've always known

C **Gm** **C** **Gm**
Racin' like the wind, racin' down that long dark freeway

C **Gm** **F**
Racin' like the winnin' is the only way the race

G7
Can finally end, can finally end

C **(Gm.....C...Gm)**
I'm racin' like the wind

C **Gm**
See the light at the end of the tunnel

C **Gm**
See the light at the front of the tunnel

F **Dm**
Runnin' so long, the feelin's gettin' stronger

E7 **Am**
That the end of the runnin' may be never

F7
And now I'm racin' like the wind

G7 **C**
Racin' like the wind back to you

F7 **G7** **C**
I'm racin' like the wind, racin' like the wind back to you

C **Gm**
Racin' like the wind through the tunnel

C **Gm**
Slidin' down the spout of the funnel

C **Gm** **F**
Will I ever learn to just give up and let my freedom fly

C# **F**
Racin' like the wind through the shadow of a long dark hallway

C# **Bb**
I'm tryin' to make some time but never really gainin' any ground

G **C**
It seems like the runnin' keeps me runnin' like I'm movin' backwards

F7
But now I'm racin' like the wind

G7 **C**
Racin' like the wind back to you

Ab **C**
Cryin' like the thunder as I kick against the fences that enclose me

Ab **F**
I built them all and I built them strong enough to hold me

D

I'm tryin' to kick 'em down but you know

Gm

They surround me and they choke me

Eb7

And yet I'm racin' like the wind

Racin' like the wind back to you

Racin' like the wind

F7 **Bb**

Racin' like the wind back to you
