

RETURN

(Chuck Girard)

A **E7** **A**
You say it's different now, then how it was before
A **E7** **A** **A7**
You do your best, but you don't feel it anymore
D **Dm** **A** **F#m**
What happened to the days when your life just seemed to flow
Bm **B7** **E7**
Miracles were happening wherever you would go

A **E7** **A**
You tried so hard it seems to do the righteous thing
A **E7** **A** **A7**
But oh, the trials that came and the shadows it would bring
D **Dm** **A** **F#m**
You went to meetings and you'd be the first to pray
Bm **B7** **E**
You even spoke a prophecy, was only yesterday

A **D**
But something's wrong, something's wrong with you
 Bm
Though you tried your best, the Lord just didn't bless
 E
You're wondrin' what to do
 A **D**
Return to your first love, put Jesus first again
Bm
The love in your heart you had when you first started
 E
Could be there again
 A
Return to your first love

A **E7** **A**
You say you told your friends the things they're doin' wrong
A **E7** **A** **A7**
You had a leading, yes, you felt it oh so strong
D **Dm** **A** **F#m**
They looked so hurt I guess they didn't understand

Bm **a** **B7** **E** **E7**

Since then your counseling, has not been in demand

A **E7** **A**

You tried to give advice, but found you were ignored

A **E** **A**

But even though they scoffed, you still said

A7

"Praise the Lord anyway"

D **Dm** **A** **F#m**

And you thought Christians were to be of one accord

Bm **B7** **E**

Is there a dull edge on that double-edged sword?

A **D**

No, no something's wrong, something's wrong with you

Bm

Though you tried your best, the Lord just didn't bless

E7

You're wondrin' what to do

A **D**

Return to your first love, put Jesus first again

Bm

The love in your heart you had when you first started

E7

Could be there again

A **E7**

Return to your first love

A **E7**

Return to your first love

A **E7**

Do do dn doo do do

A
