

# WALL OF LOVE

(Chuck Girard)

**A** **A/Ab** **A/F#** **A/E**  
I built a wall of love around .....you  
**Bm7**  
That no man can take apart  
**D** **E**  
I built a wall of love around you,  
**A**  
And it's a wall around your heart  
**A** **A7**  
I bought each brick with a drop of My blood  
**D** **Dm/F**  
And the mortar was my pain  
**A** **A/Ab** **A/F#** **A/E** **Bm7** **E** **A** **E7**  
I built a wall of love around you,..when I rose again

**A** **C#m/Ab**  
Trust in Me with all your heart,  
**D/F#** **D/B**  
And don't you go by what you understand  
**E** **E/D**  
When you think that your world is falling apart  
**A**  
Just remember that you're in My hand  
**A** **A/Ab**  
When you've seen as far as the eye can see  
**D/F#** **D/B**  
And it looks like the end to you  
**E** **E/D**  
Just remember that My ways are not your ways  
**Bm7** **E7** **A**  
I'm the Lord and I'm able to deliver you

**D** **E** **A** **A/Ab** **A/F#** **A/E**  
So look up, look up, for your redemption draws near to you  
**Dm** **E** **A** **A/Ab** **A/F#** **A/E**  
So look up, look up and the heavens will open up to you  
**D** **E**  
So look up, and see the glory of your God  
**A** **A/Ab** **A/F#** **A/E**  
And that light will shine on you

**Bm7**  
And realize when you look in my eyes  
**D/E** **E** **A**  
How much .....I love you
