(Chuck Girard)

F
I witnessed to a man today, I witnessed to his wife

F
I told them 'bout the way and I told them 'bout the life

F
I told them 'bout the power of His double edged sword

CHORUS

F
I put a tract into his cup and did not miss a beat

Bb
I passed out little tracts with all the scripture underlined

C
I handed one to each and everyone that I could find

Bb
I'd shove one in their hands and I'd walk on to the next
